

## CONGRATULATIONS!

CONGRATULATIONS on your graduation from LaGuardia Community College with an Associate's Degree in the Liberal Arts Social Science and Humanities: Japanese Option. This document gives you a quick overview of your graduation and transfer schedules.

## GRADUATION PLAN!

You should start considering your graduation/transfer plan as soon as you have more than 40 cumulative credits. Please come to see the program director (Tomonori Nagano) at least once before you register for your last semester. Ideally, you should graduate in the spring (i.e., June or August) but you can also graduate in the fall (i.e., December). If you graduate in the fall, you should complete all requirements in Fall Session 1 (Fall Session 2 ends in late February and will affect transferability to school whose Spring semester begins in early/mid February).

The process of graduation request is fairly simple. You just have to add the following course to your schedule via CUNYFirst in your last semester at LaGuardia.

- Intent to Graduate (GRDOOO / #40644)

All students who have filed Intent to Graduate will be audited by the Registrar's Office for graduation. The Registrar's Office will

mail their audit letter to your home address recorded in CUNYFirst (in regular mail) by the end of the semester.

The college-wide graduation requirements are following:

- Grade Point Average: A 2.00 GPA (C average) is required for graduation, as well as passing the required basic skills tests.

## TRANSFER TO CUNY SCHOOLS

The Liberal Arts Japanese Option is articulated with the East Asian Studies at Queens College (<https://www.qc.cuny.edu/academics/cmalc/>) and all graduating students in the Option are guaranteed admission to Queens College with the following requirements:

- Two-year graduates of LaGuardia Community College with an A.A. degree and a GPA of 2.75 or better,
- A grade of "B" or better in each Japanese language course taken at LaGuardia (ELJ101, ELJ102, ELJ103, and ELJ104)
- A completed application to the Department of Classical, Middle Eastern, and Asian Language (CMAL) at Queens College
- Completion of 12 credits taken at Queens College with GPA of 2.75 or better

There is an option for students with a GPA of 3.0 or above to transfer to the CUNY BA Program, which is housed in CUNY Graduate Center (<http://cunyba.gc.cuny.edu>). Currently Hunter College is actively using the CUNY BA to accept students, but any CUNY 4-year school can accept students through CUNY BA.

As of Spring 2022, the deadlines for transfer applications to CUNY schools are as following (<http://bit.ly/CUNYApply>):

	Deadline	Notification
Spring	Feb 1	Bet Feb and July for Fall admission
Fall	Sept 15	Bet Oct and Dec for Spring admission

Please see the next page for more information about the transfer option to Queens College. If you are interested in CUNY BA, please contact Teresa Curmi, Academic Director of the CUNY BA Program ([teresa.curmi27@cunyba.cuny.edu](mailto:teresa.curmi27@cunyba.cuny.edu) / 212-817-8222) and/or Prof. Maayan Barkan, Head of the Japanese Program at Hunter College, at [mbarkan@hunter.cuny.edu](mailto:mbarkan@hunter.cuny.edu).

## TRANSFER TO NON-CUNY

Transfer to non-CUNY school If you are interested in applying to non-CUNY schools (e.g., NYU, Columbia, Temple Japanese cam-

pus etc), you should start planning your transfer at least one year before your expected graduation date. Almost all external transfer applications require the following:

- Transfer Application via The Common Application (a.k.a., CommonApp; <http://www.commonapp.org>)
- Transfer application essays
- Letters of recommendation from faculty
- Standardized test scores (e.g., SAT, ACT etc.)
- Some form of financial security (e.g., scholarships, bank loan etc.)

The following books are very useful to learn about external transfer:

- Goodmacher, C. & Ngo, L. (2012). *The Transfer Book: Transfer to the College You Want*. New York, NY: Mindvine.
- Silver, D. (2009). *Community College Transfer Guide*. xxx: Adams-Hall.
- Bauld, H. (2012). *On Writing the College Application Essay, 25th Anniversary Edition: The Key to Acceptance at the College of Your Choice*. Collins Reference.
- McGrath, A. (2022). *Best Colleges 2022: Find the Best Colleges for You!*. New York, NY: U.S. News and World Report. (Also check the website database at <https://www.usnews.com/best-colleges>)

Although each school has different transfer admission deadline, the following is the general application deadlines for non-CUNY schools.

Transfer	Deadline
Fall Transfer	January - March
Spring Transfer	October to December (few schools accept transfer students in spring)
