Are you a new student and unsure about what you should do to succeed in the Japanese Option? Are you a continuing student who needs advice on your graduation and transfer plans? Do you want to connect with other students who share the same academic and personal interests in Japan? If that's the case, join this orientation meeting for Japanese Option students. Ask questions about the Japan Studies curriculum, get to know the Japan Studies faculty, your peers, and alumni, and learn about different career paths for Japan Studies students. The event will be followed by an onigiri-making event for lunch.

Sign up for the event at <https://t-nagano.link/lg-EventReg> or by scanning the QR code on this flyer. A recording of the orientation presentation will be shared with those who have signed up for the event.
