LITERATURA POLSKA

ELP 201 Polish Literature

- For native or heritage speakers of Polish
 - Placement exam is prerequisite

This course is designed to serve as a review of advanced-level Polish language skills and as an introduction to modern Polish literature.

Readings are selections from major Polish language authors.

Flexible Core Course - World Cultures & Global Issues

ELP 201 is conducted mostly online.

The class meets twice during the semester - during the first and last week of classes.
