THREE STEPS TO LEARN ABOUT MODERN LANGUAGE COURSES

1. **See the list of our modern language courses on the back of this flyer.** If you already speak a language other than English, please come to the Modern Language Lab (B-206) to take the placement exam so that you are placed into an appropriate level of our language class.
2. **Check the course schedule on CUNYFirst at <http://bit.ly/LaGCCSche>.** You can also contact our department (see below) to obtain the latest course schedule.
3. **Sign up for class or submit your request to open a new class if you couldn't find the class of your interest on CUNYFirst.** Not all classes are offered every semester, but we will open a new section if there is sufficient interest among students. Please submit your request at <http://bit.ly/lagccNewClass> to open a new class. You will receive updates about the new class from our office or your professor.
